

I would like to ask you to not expand LPFM service so that it takes priority over current FM translator services, specifically K-LOVE. K-LOVE is one of the few family-friendly stations in the La Grande area and has a positive impact on my life. I listen to it often and have it on all night while I sleep. My community would be greatly hurt if K-LOVE were displaced by an LPFM broadcaster providing other programming because K-LOVE is the only station available in my community that offers clean, uplifting music all the time that is safe for any age group. The service provided by K-LOVE is in the public interest because it provides programming that enriches, improves, and builds up the lives of people in my community. Please do not let LPRM displace K-LOVE! Thanks!
